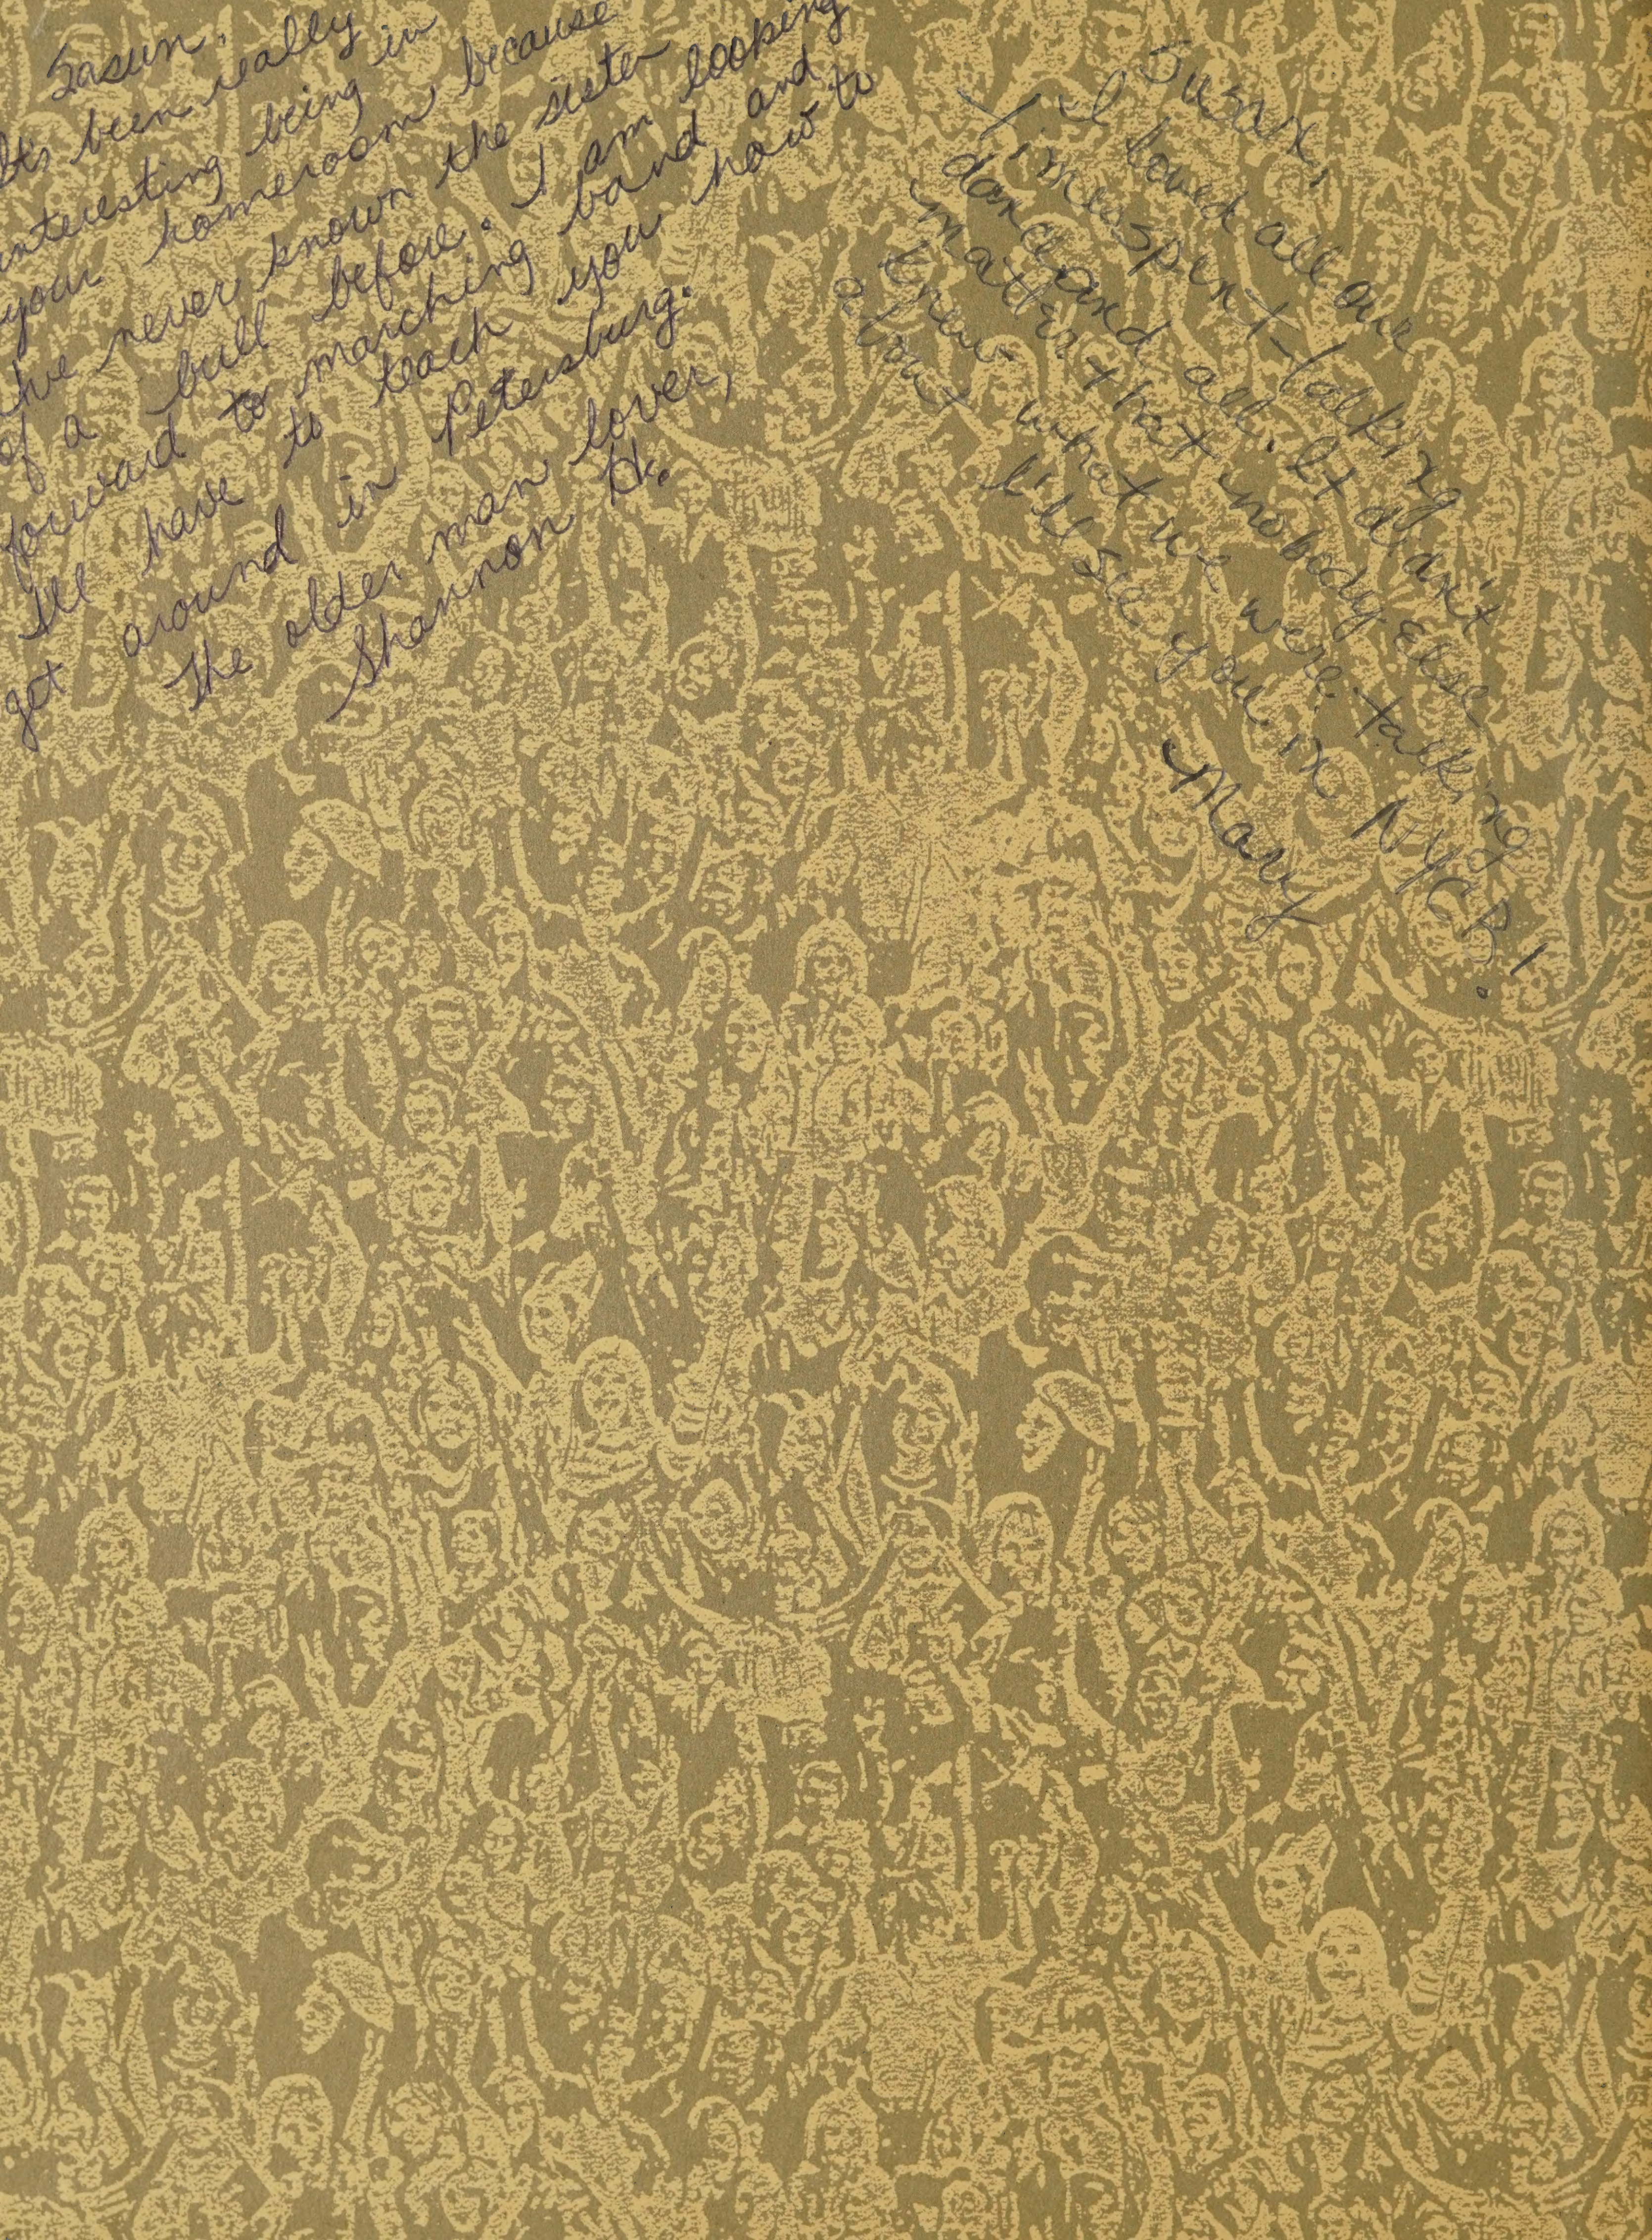
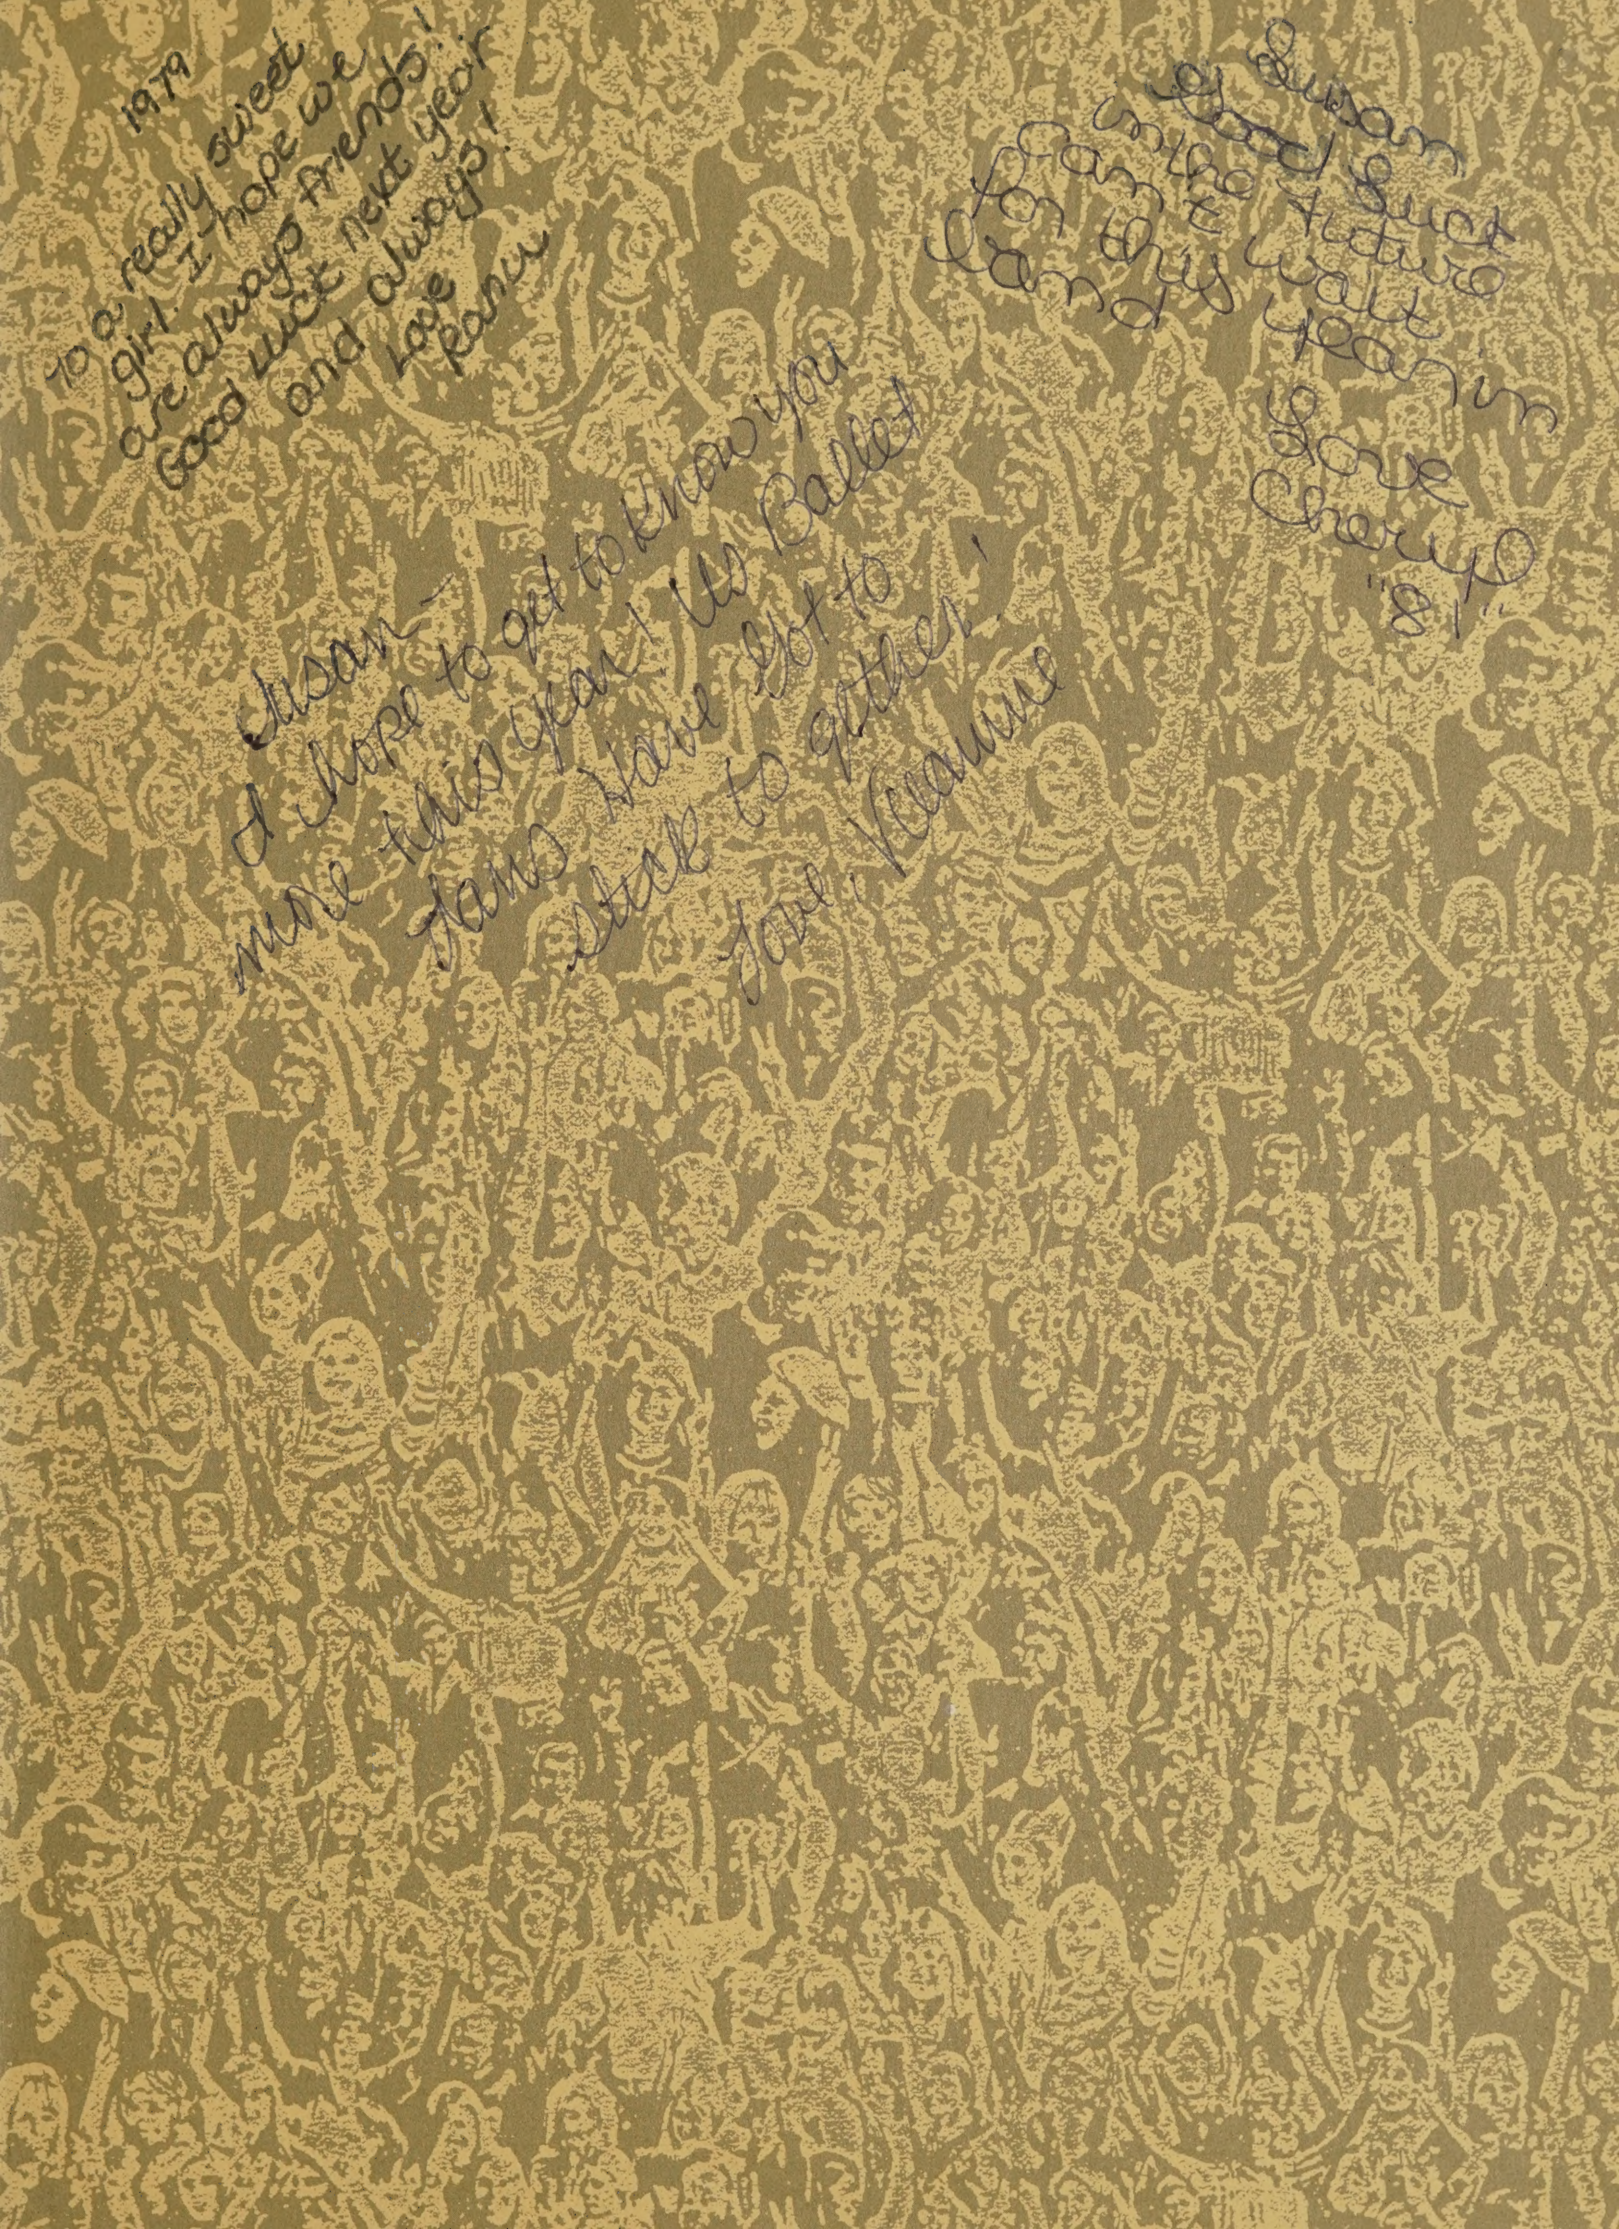
MEMOIR '79



Susan:
It's been really
interesting being in
your homeroom because
I've never known the sister
of a bull before. I am looking
forward to marching band and
I'll have to teach you how to
get around in Petersburg:
The older man lover,
Shannon Kk.

Susan,
I loved all our
times spent talking,
dancing and all. It doesn't
matter that nobody else
knew what we were talking
about. I'll see you in NYCB!
Mary



1979
To a really sweet
girl. I hope we
are always friends!
Good luck next year
and always!
Love
Ranu

Susan
Good Luck
in the future
Can't wait
for this year in
band
Love
Cheryl

Susan –
I hope to get to know you
more this year! Us Ballet
fans have got to
stick to gether!
Love, Veronica

SUSAN Hill

Hi Susan,
How are you doing? Good luck with marching band this year, you'll like it better once yawl get started!! I hope we get some classes together. Stay sweet & wild!!!

Love ya,
Linda

Susan,
We made through
Spanish finally. To think
no more. Have fun in Marching
Band. Hope your in one of
my classes this year.
Love,
Sandy

Susan,
Well you've become a really raving beauty as of late what with your new hairdo (beautiful hairdo) and always great personality, have a great Junior year —
Your friend always,
Chuck

Susan, I'm really glad I ge
to know you from gym
& I've really enjoyed
talking to you in
class. love ya,
Susan

RICHMOND NEWSPAPERS MARATHON
195 Downtown Expwy
TOLL TO

Runners in the first Richmond Newspapers Marathon start the race. Friends of many MHS students participate.

Ryne Johnson, Chip Conk, and Greg Carr raise Terri Musselman while they raise Lancer spirit at the bon fire.

Cherish Yesterday, Dream Tomorrow, Live Today.

The students returning to MHS this year expected the same school—but they found it was different in many ways. Besides the usual changes—new classes, teachers, and students—they found a great number of unexpected differences. Many dreams came true in the fall with the great seasons of cross country, girls' basketball, girls' tennis, and FOOTBALL! All the hard work and practice had paid off. The band, led by Joey Terz, also had a new look and made every member of MHS proud of the Marching Lancers.

Lancers Experience Changes

Lancers Cherish Memories, Dreams

"When I think about my senior year I think about all the friends I have to leave behind."

Ann Cayton

"The band is the best we've had at MHS. Joey is full of spirit and enthusiasm."

Nina Miller

"My junior year with the Class of '79 has been fantastic and I'll miss them when they graduate, but I can't wait to be a senior!"

Selina Balarzs

"I thought moving before my senior year would be hard, but I was happy to find plenty of friendliness and spirit at MHS."

Kay Bates

"Manchester offers its students a lot more freedom and privileges than Providence."

Gail Pair

Princess Cathy Bennett and 1977 Queen Joellyn Conk get a chance to visit during the Homecoming parade.

The Class of '80 returned to MHS as the Junior class. After the first few weeks it was obvious that class unity and spirit were strong. Juniors immediately became active in sports, clubs, marching band, and especially pep rallies. Class rings, the prom, and college decisions were the thoughts of many.

Are Junior Class Princesses

Homecoming '78 proved to be an enjoyable time for the Juniors. The game on October 6 ended in a 28-6 defeat over Dinwiddie. The Juniors selected Courtney Carlton and Patricia Parham as their princesses. The following night the class of '80 finished their celebration at the Homecoming dance where the theme was "Fantasy." The band was "Homegrown" whom everyone enjoyed. Homecoming '78 will always be remembered with special memories.

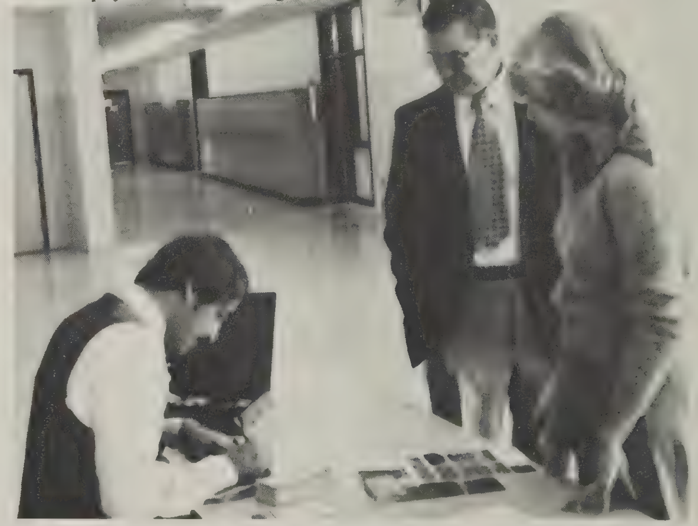
October 30, 1978 was a very important day for the Class of '80. This was the day that they received their long-awaited rings. During activities period they met in the auditorium for the ring ceremony.

The rings were made by Herff Jones and designed especially for MHS's Class of '80.



As Mr. Thomas looks on, Kathy Moss makes the final payment on her ring.

Being a member of the Class of 1980 has meant different things to each individual. Many felt that being a junior offered more opportunities than were available during their Sophomore year. Others began thinking about their future; if they would continue their education and if so where and in what field. But for all it offered various challenges that they faced optimistically.

Different Strokes For Different Folks

Juniors participate in the Halloween pep rally.

Their Junior year was very busy for the Class of 1980. Along with regular school work, much of their time was occupied with everything from sports to cheerleading to marching. Many were active members of various clubs. Homecoming, the Halloween Carnival, chorus and band concerts, and the prom were big events this year.

As the Juniors leave MHS this year they are already thinking about their all important Senior year. They look back on the previous year remembering all the laughter, tears, joy, anger, and fellowship. They recall old friendships that were strengthened and new friendships that were formed. Each one has gained something that can never be taken away.

FACULTY FACULTY

The Big Three . . .

The big three at Manchester probably have one of the most important positions in the school. Mr. Thomas really does a terrific job as principal. It's definitely not unusual to see him in the halls between classes. Many students take time to say 'hello' and Mr. Thomas likes the chance to meet the kids. Mr. Morris, our assistant principal of administration, works hard all day with students and teachers alike.

LLIAM E. MORRIS

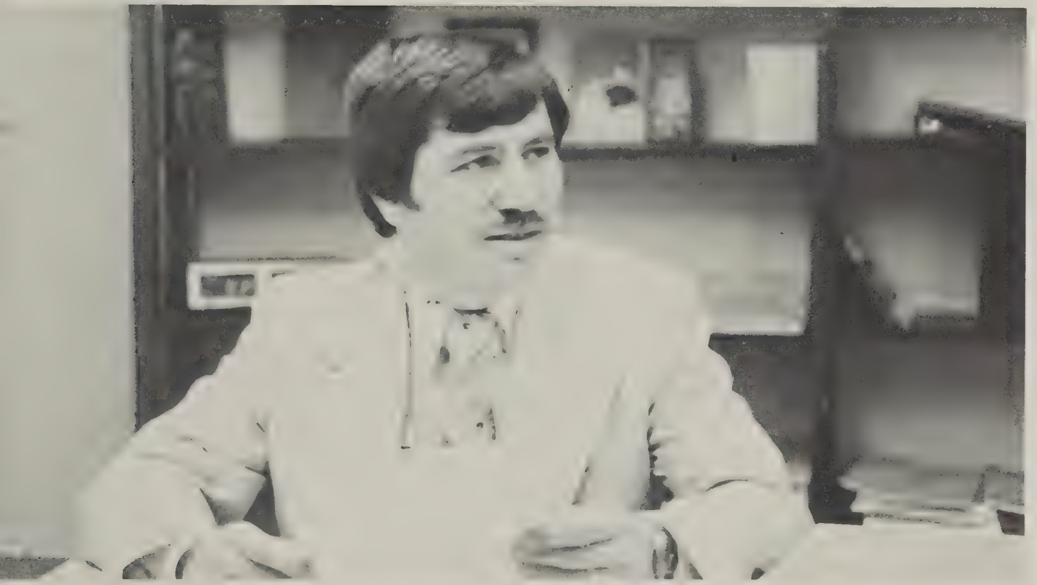
Working Together!

This year we were very sorry that Mr. Elliot, our assistant principal of instruction, had to leave. Mr. Elliot accepted the position of principal of the new Monocan High School. We certainly wish him luck and invite him back to visit any time. Taking over Mr. Elliot's job is Mr. Keister. All of the faculty and students like him, and feel we were very lucky to find such a well qualified man as Mr. Keister.



(above left) Mr. Elliot And Mrs. Brown look over some of the legal work in the office.

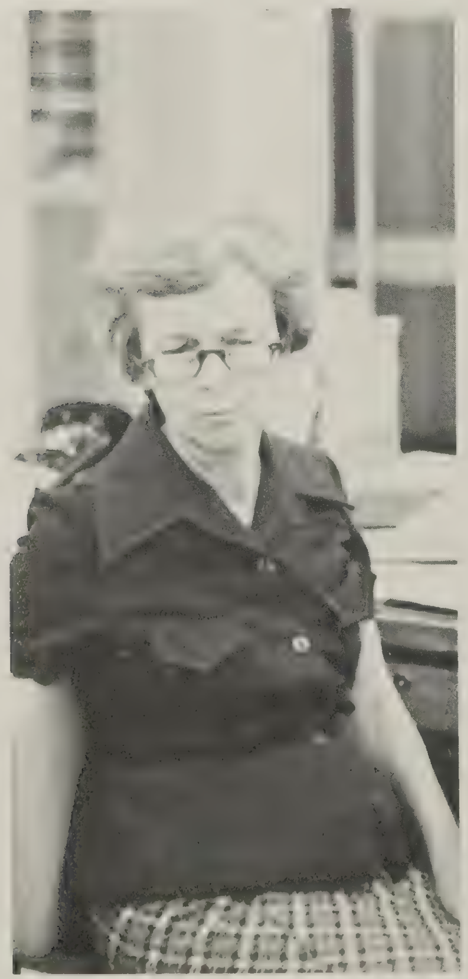
Behind The Scenes In The Office

Where do you find phones ringing and typewriters clicking? In the office. There you will also find Mrs. Brown and Mrs. Daniels. Their jobs are numerous and we couldn't do without them! Two other important ladies are Mrs. Jackson and Mrs. Rudd who are teacher aides.

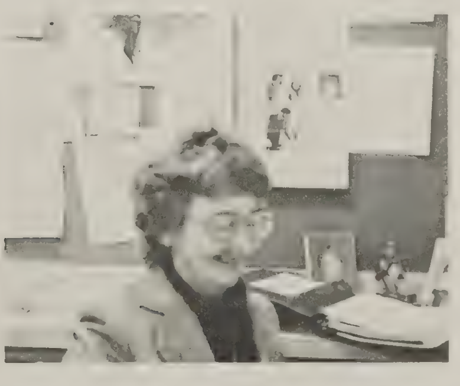
(above right) Mrs. Brown stays busy handling all the calls that come through the office. (center right) Mrs. Jackson, teacher aide, helps out wherever she is needed. (lower right) Mrs. Coalter finds all kinds of things in her mailbox. (below) Mrs. Daniels handles all the money.



Need Advice, See A Guidance Counselor

We really appreciate all the long hours of hard work our guidance department has put in. They really deserve alot of credit for the way in which they help us with schedules, college choices, and various other things. Mr. Deane is our Senior counselor, Mrs. Duke our Sophomore and Junior counselor, Mrs. Holland our Junior counselor, and Mrs. Rollings our Sophomore counselor. Mrs. Millie Blackburn is our guidance secretary. She and all of our counselors do their best to help.

(above left) Senior counselor Mr. Deane glances over some notes. (left) Mrs. Holland and Mrs. Farrell discuss some business of their own. (lower left) Mrs. Rollings and Mrs. Holland take time of their own to talk. (below) Mrs. Duke is prepared for almost anything. (lower left) Does Mrs. Blackburn suspect a camera?



Gramatically Speaking

Chairman of the English department Mrs. Crane and her fellow teachers keep everything running smoothly. This year minimum competency tests were administered to all sophomores. Many English teachers volunteered their time to help students that did not pass the test. These students took the test again in the Spring. The annual Spelling Bee was held in the Spring. Classroom winners compete for a grade level winner and finally a school winner. The winner continues on to compete with other county school winners. We were very sorry to say 'goodbye' to English and drama teacher Miss Johnson. We do welcome Mr. Wrenn, who took over during the first semester.

Behind All Those Books . . .

It's not unusual to find students before, during, or after school using the resource materials in the library. Students are permitted to use not only books, but films, tapes, and records. There are a number of magazines that are subscribed to annually, and copies of the newspaper are also provided. Mrs. Frymier and Miss Eister certainly have a full-time job keeping everything in good condition and available to us. With their clerk Mrs. Beacham, and all of the library aides, the library is always open to the faculty and students.

Our librarian Mrs. Frymier.

Mrs. Beacham helps keep our library running smoothly.

Training For A Vocation

Many of the Special Ed. students spend part of their day at the Chesterfield Technical Center and Bellwood working at various job programs. Some of the courses taken are cosmotology, printing, food services, welding, and horticulture. Mrs. Belcher says she is glad the students are working and feels it is good experience for them. Many of the field trips usually taken each year have been eliminated as there is no one time during the day that everyone is together. Many of the students received their driving permits in Drivers Education class, and they participated in a CPR- artificial respiration course offered to all Sophomores. This year there are three teachers; Mrs. Belcher, Miss Anne Hodges, who is doing her student teaching here from VCU, and Mrs. Barnes.

Miss Hodges calls spelling words for a quiz.

Mrs. Barnes works with reading disabilities and English.

Have Fun

The language department at Manchester has four languages again this year. The Spanish club is sponsored by Mrs. Hoy, the French club by Mrs. Dadlez, and the Latin club by Miss James. This year the Spanish club sponsored the annual Foreign Language Banquet held in March. The French club helped provide entertainment at the banquet. They also took first place in the float competition at the Homecoming Parade. The Latin club have helped with many projects and observed the "Ide's of March." There are four teachers; Ms. Pearson(Spanish), Mrs. Dadlez (French and Spanish), Miss James (French, Latin, and Spanish) and Mr. Greenwood(German).

(above right) When she isn't teaching, Ms. Pearson sponsors our cheerleaders.

Mathematics

Once again, Ronald Weeks was chairman of the Math Department. Manchester offers a wide variety of mathematical courses. A few of the courses are Geometry, Algebra I, Algebra II, Trig, Calculus, Analysis and Probability and Statistics. Some students use the computer to assist them with their homework or to play games on them.

The Math Department gave the Annual Mathematics High School Examination in March. It was sponsored by the National Council of Teachers of Mathematics. Chris Perry and Laurie Marsh received the highest scores at Manchester.

Social Studies

Once again, Mrs. Cavenaugh was the Chairman of the Social Studies Department. This department included government, history and geography.

The government classes had a number of speakers visit their classes this year. A State Senator, a Lobbiest, A Policeman and even an FBI Agent were a few of the speakers.

Some of the government classes visited the County Court House in March. They watched a few court cases, and some students took a tour of the jails. While at the Court House, they got a chance to register for voting. In May the government classes had their annual trip to Washington.

The Sciences

The Science Department was headed by Mrs. Jefferson after Dr. Clark decided to retire during the first semester. The department offered a variety of Science courses. Chemistry, Biology, Physics, Earth Science, Advanced Physics and Advanced Biology were taught.

Every science room is equipped for doing experiments. In Advanced Biology, students disected many types of animals. Advanced Physics and Advanced Biology allowed students to do college level work and an indepth study of science.

Physical Education

Physical Education gives the students a break from the books. It allows them to improve their athletic abilities while keeping them in shape. Through the Physical Education Department, students participate in basketball, volleyball, tennis, track, softball and other sports.

For most sophomores, Physical Education has an extra benefit. They are given a course in Driver Education which allows them to get their driver's licenses.

The Arts

The Arts Department includes Band, Chorus, Orchestra, Shop, Art, Home Economics and Mechanical Drawing. These classes brought out the creativeness in the students. Some students will use their new skills acquired from these classes to assist them in their careers. Others take the classes for interesting hobbies or pastimes.

The bands performed at concerts and competed in festivals for ratings under the directon of Mr. Wooldridge. The Chorus Department also performed at concerts.

Business

Typing, shorthand, accounting and general business were courses offered by the Business Department. The Business Department is beneficial to many students in preparing them for a job in a specific business field.

Beth George was awarded first place in a basic business skills test. The test was sponsored by the Administrative Management Society, and included Chesterfield, Richmond, Henrico and Hanover school districts. Beth was competing in the junior accounting division. Working Behind Us . . .

The cafeteria staff here at Manchester spends a large part of the day preparing our food. Besides serving the regular lunch, the jet line offers a light lunch of a sandwich and french fries. Many students like being able to buy ice cream, cookies, orange juice, and salads. The custodians also deserve alot of credit for the way they work around the school. Whatever the need be, one of the custodians is bound to know how to fix it.

How Do Lancers Spend Their Study Hall?

Many Lancers find their study hall the most enjoyable class of the day. Some students prefer to spend their fifty-five minutes finishing some homework left from the night before, or studying for a quiz in their next class. However, some students spend study hall relaxing with a quiet game of cards, or daydreaming, or whatever. It's certainly not unusual to find kids from the Tech. Center coming in at various times each day. Since their schedule for leaving and returning to school is somewhat flexible, they spend any excess time before their next class in study hall. This year they have two hard working teachers Mr. Thomas and Mr. Stutz.

Manchester Is Well Represented At Chesterfield County Fair

Beth Moss waits for the judges decision.

Last spring Beth Moss and Cathy Bennett were chosen to represent Manchester at the Chesterfield County fair this fall. They competed against twelve girls from area high schools. The girls had to be observed in spring dresses and in evening dresses. Also, each girl was to answer a question picked at random. The second runner-up was Beth Moss, and the first runner-up was Cathy Bennett.

Triptych Players Present For Their Fall Production "Harvey"

The Triptych Player presented their Fall production, "Harvey," under the direction of Mrs. Judy Johnson. Mark Waid as Elwood P. Dowd had a very special friend, Harvey. Harvey was a Pooka, a large, invisible, white rabbit about 6 feet tall. His sister, Veta Louise Simmons played by Janet Snead, tried to commit him to Chumley's Rest Home. The entire play centered around deciding whether or not Elwood should stay at the home. It involves Dr. Lyman Sanderson, M.D. played by John Lehan and the famous Dr. William Chumley, M.D. played by Jeff Ventrella. The play was very comical and the performances were well-attended by the students and their friends.

When You're Talkin Winners . . .

Senior co-captains Jay Edwards and Robbie Reynolds announce 1978 team sweethearts.

With victory in the air, the starters take a break.

. . . You're Talkin Lancers

Only the strong survive. Mark Deorio.

1978 Central District Co-Champions

Row 1: Alan Harris, Mike Horne, David Cheatham, Richie Phillips, Steve Hartz, Derek LaPrade, Monroe Meade, Leim Le, Tommy Tribble, Robert Witt, Greg Walker, Jimmy Graham, Bernie Mimms, Manager Rick Bidwell, Row 2: Coach David George, Anthony Holt, David Coon, Jerry St. John, Brian Pennington, Butch Cheatham, Bill Phillips, Jay Edwards, Robby Reynolds, Mark DeOrio, Boyd Smith, Eric Jolly, Bob Acampora, Bob Pritchard, Vince Henderson, John Waters, Coach Branson Howell. Row 3: Coach Lloyd Swelnis, David Hernandez, Paul Bates, Bubba Britton, Scott Moore, Scott Enge, Danny Hair, Jim Stone, Matt Holcomb, Sam Nussman, Rusty Cronk, Mark Quigg, Gary Burchett, Chip Scott, Mike Jezierski, Paul Lockwood, Coach Rick Richardson.

The Lancers football team, under Coach Lloyd Swelnis and assistant coaches David George, Rick Richardson and Branson Howell, had a very successful season record and a Central District Championship. Although the Lancers were defeated in the opening game against Freeman, they came back strong with an easy victory over Meadowbrook.

It was the following week that the mighty Lancers showed true potentail, by beating Petersburg for the first time in Manchester's history. For the team's effort in this game, Robby Reynolds and Monroe Meade received Co-backs of the Week honors.

Now with spirit and momentum the Lancers breezed through four straight victories, before being stopped in a close game with Thomas Dale. During this span sophomore Paul Bates received Lineman of the Week honors for his performance in the Homecoming game against Dinwiddie.

The Lancers then went on to win their last three games and gain a berth in the Central Regional Playoffs. Putting forth a fantastic effort, Manchester bowed to Highland Springs.

In compiling their 8-3 record the Lancers broke or tied 11 individual and team records. Most of these records were set due to Boyd Smith's kicking ability and Monroe Meade's running talent. Behind a strong offensive line, spearheaded by Seniors Brian Pennington, Jerry St. John, Bobby Acampora, Jay Edwards, and first team All Regional tackle Bob Prichard, Meade rushed for a single season record of 1431 yards, and 20 touchdowns. Senior Fullback Mark DeOrio and Robbie Reynolds also contributed to the Lancers total offensive effort, which produced a record 274 points scored in a single season. Anchoring a strong Manchester defense were tackle Eric Jolly, defensive back Bill Phillips, and All District safety Butch Cheatum.

Although the graduating seniors will be greatly missed, the team has high hopes for another championship year with juniors Monroe Meade, Bubba Britton, Vince Henderson, Alan Harris and David Coon all returning, along with All District sophomores Paul Bates and Paul Lockwood.

Manchester Junior Varsity got an extra surge of manpower this year from the ninth grade girls of Providence Junior High. This combination of ninth and tenth grade girls was coached by Cindy Livesay, who returned for her second year of coaching at Manchester.

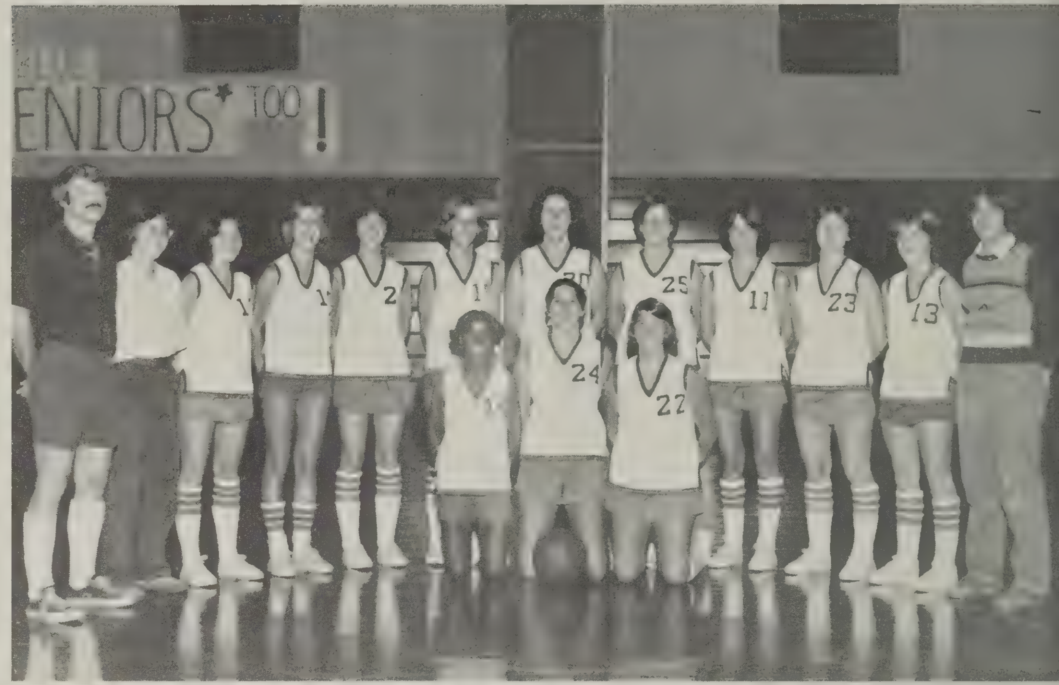
The J.V. girls finished their season with several heartbreakingly close games and a couple of overtimes. These girls surely proved their ability to fight to the finish, and next year's girls basketball teams will certainly find these players an asset.

Strong Defense Helps Lancers To A Successful Season

The Lady Lancers did an about face with their '78 season. They came from a total of three wins in the last two years to place fifth in the district, with a record of seven wins and 9 losses.

By winning the first three games, the Lancers began the season with a lot of drive and momentum. They continued to play well under the drilling and guidance of coach Charlie Smith. The team was strong, maintaining one of the best defenses in the district. The starting line up was well supplemented from the bench as was evidenced when the Lancers upset Dinwiddie in the Central District Tournament.

Although the team will lose six strong seniors, the outlook is promising with a lot of lettermen returning.



Left to right: (kneeling) Tri-captains Cindy Harris, Beth Moss, Lee Ann Toler. Coach Charlie Smith, manager Wendy McNeny, Chris Bradshaw, Kathy Moss, Gayle Bunce, Terri Watson, Brenda Martin, Nancy McLoda, Robin Davis, Connie Daniels, Lori Magnusdal, and manager Julie Dixon.

. . . To Finish

Fraser Hudgins, a junior, runs alone as he has already passed his opponents in the District Championship. Fraser went on to win the race and set the new course record of 15:41.6.

Senior Steve Talbert stays close behind his opposition as he runs on the Lancers home course.

The Manchester cross country team headed by coach Al Weaver ran away with all the honors in the Central District this year. The Lancers captured the District Championship, along with placing second in the Regionals and tenth in the state.

Participating on the team this year were seniors Peter Halle, Steve Smilek, Steve Talbert, John Berry, Mark Light, Mark Stout, Barry Jones, Tommy Daughtrey and Brad Clark. These seniors were some of the top men on the team. Juniors were Rick Merinar, John Schwarzmann, David Ottaway, David Collins, Fraser Hudgins, Ernest Poley and Tim Baldwin. Sophomores Chuck Braaten and Roger Moore and freshmen Randy Keys and Chris Burton, with one eighth grader Mike Smilek, rounded out the team for Manchester.

Fraser Hudgins had an outstanding year and broke every course record held at Manchester. Hudgins placed first, second, and third in three of the Championship Meets in which he ran and Steve Talbert ran for the most miles all season. Barry Jones and Tommy Daughtrey received the Golden Brick Award for laziness. With strong juniors and sophomores returning, the team will be looking forward to another championship year.

Named "Al's Angles", seniors Virginia Smilek, Karen Whiting and Ann Bogdon did not run as a team, but spent many hours practicing with the boys team. They also participated in several meets.

Girls Tennis Becomes Varsity Sport

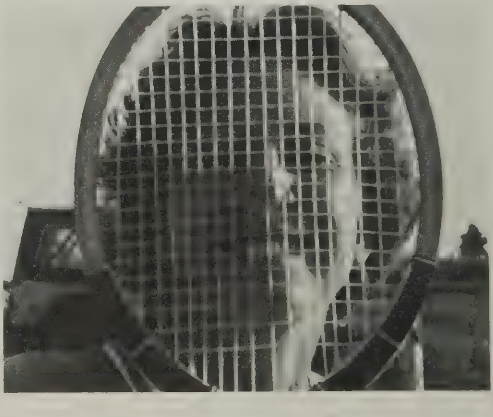
Number two player, Sue Davis, displays winning backhand form.

In the first year of varsity competition, the Lady Lancers' Tennis Team had a 5-9 record overall and a 4-7 record in the Central District. Several of the matches were very close and could have gone either way. The Lady Lancers finished fifth out of seven teams in the district.

The future looks bright since the team is young and almost everyone will be back again next year. Out of the first six players, three were juniors and three were freshmen. Krista Hunter, a junior who played number one, had an excellent year with a 9-5 singles record and a 10-4 record in doubles. She was also voted the Most Valuable Player.

Sue Davis, a ninth grader from Providence Junior High School, had a record of 8-6 in singles and 9-5 doubles record. Sue played excellent tennis this fall and should do equally well in the future.

The Lady Lancers are looking forward to next year. With the enthusiasm and fine play exhibited by the team this year, we can see why.



Does tennis have this affect on everyone, or just Krista Hunter?

Girls Gymnastics Join Other Lancers As District Champs

MHS Gymnastics Team: Sandra Gaunt, Coach Cindy Livesay, Denise Fields, Donna Pollard, Manager Susan Bogdan, Lori Dolan, Taina Troop, Debbie Taylor, Annie Hannen, Leslie Cohen, Colleen Harrington, Laura Pate.

The girls' gymnastics team coached by Cindy Livesay, was undefeated in district competition and thus won the district title. This year, by request of the girls' gymnastics team, this poem is included to express their feelings.

The Gymnast

She is smooth in the placement of her
feet upon the beam.
Not a word is being spoken in the
moment-Like a dream.
The flowing agile moves seem to stay
in memory,
As a seagull who has swept down to
barely brush the sea.
And a touch of class? An aura on the
form so soft and free.
How strong and nice the movement
which is done so fragilely.

Wrestling can sometimes be just as tough for the referees as the wrestlers.

The Lancer wrestling team struggled through a long season this year. The very young team, coached by Rick Richardson, showed improvement after each match.

The team was divided up into a Varsity and J.V. On the Varsity team, three strong freshman, Robert Glass, Glenn Sides and Dereck Therell wrestled hard. Sophomore Steve Barr wrestled in the 112 pound weight class for the Lancers. Steven Jacques, Mike Carter co-captain. Steve Preskitt, Scott Bowlings, Loran Wiggins, Lyn McPeters and Danny Hair were the many juniors that represented the Lancers. Also seniors Dan Zukowski, David Terz, Mark Lite and co-captain Joey Terz were strong in leading the team.

Although the team will lose these four seniors, their hard work this year will pay off for the young team next year.

First year wrestler Robert Glass is ready for anything.

Experiencing "the thrill of victory" is Junior Mike Carter. Mike had the highest team points for the Lancers.

Freshman Glenn Sides wrestles well for the Lanters and is a bright spot for next year's team.

J.V. Improves With Experience

Lancers battle for position on jumpball.

Dereck LaPrade skies on a lay up against Prince George.

Believe it or not, Dereck comes out with the ball.

Working hard under Coach Charlie Smith, the inexperienced sophomores compiled a five and thirteen record. The team was composed of first year players with little basketball experience. As the season went on, they improved with each game, winning their last two games. Guard, Mark Williams, led the team in scoring. Co-captains Dereck LaPrade and Mark Tuck, also played well for the Lancers.

The Lancers indoor track team had their most successful season ever this year. The Lancers in the past years have used the winter season as training for the spring season, but this year was different. The Lancers were very competitive and qualified some team members for the State Indoor Track meet.

Junior Frasier Hudgins qualified for the State Meet by placing fifth in the two-mile run at Central Regional meet. Also, the Lancers 880-relay team of Mark DeOrio, Monroe Meade, Bryan Carr, and Alan Harris qualified for the State Meet by running faster than the State qualifying time at a Polar Bear meet. Along with these qualifications the Lancers broke some school records. Steve Smilek broke the 600 yard run record and Barry Jones the 60 yard high hurdles record. Junior, Monroe Meade broke the 50 yard dash record.

This year the girls track team competed in the indoor season too. They participated in most all of the meets and fared well.

The Lancers were very strong this winter in the indoor season and the up coming spring season looks to be quite successful.

Lancers Gain Share Of District Championship

Along with sprinting, Monroe Meade was an excellent pole vaulter.

The predictions that the Lancers had during the indoor track season came true in the outdoor season. The boys track team ran, jumped, and threw their way to a 8-1 record which was good enough to tie them for the District Championship. The team got off to a great start by beating defending District Champions, Midlothian, by a wide margin. After this victory, the Lancers didn't stop. The boys ran off seven more straight victories. It was in the last meet of the year against Dinwiddie that the Lancers lost their first meet and, consequently, ended up in a tie with Dinwiddie as District Champions.

There were many outstanding performers for the Lancers this year. Fraser Hudgins set a new school record in the two mile. The four-mile relay team, which consisted of Fraser Hudgins, Peter Halle, John Berry, and Steve Talbert, also set a new school record. In joining with the crowd, Mark DeOrio, Monroe Meade, Bryan Carr, and Alan Harris broke the 440 relay school record. Barry Jones and Tommy Daughtry were very strong in the hurdles. Robby Reynolds was the team's top pole vaulter, and David Coon was best in the shot put. Overall, the Lancers had a most successful season.

Senior tri-captain, Steve Smilek, gets off to a quick start in the 440.

Jump Hurdle

Mark DeOrio comes out of the blocks hard and fast in the 880 relay.

Hurdlers Barry Jones and Tommy "Dog" Daughtry are well out in front of the Midlothian runners.

Monroe Meade and Steve Smilek get a perfect exchange of the baton.

. . . And Win

Senior Robby Reynolds easily clears the bar as Monroe Meade practices catching the pole.

Junior Alan Harris lands after jumping over 22 feet again.

10 Wins Help Jay-Vees To 2nd Place

The Lancers' J.V. Baseball team this year compiled 10 wins, 5 losses, and 1 tie to place second in the district. They were led by the fine coaching of David George, who gave the leadership and coaching the young team needed. Courtney Goodwyn led the team in hits while Sam Nussman and Brian Bartlett were valuable assets in other areas. With the successful season and learning experiences the players gained this year, the players moving up to the varsity next year should help the team enormously.

Courtney Goodwyn slams another one out of the ballpark.

Scott Enge hurls another fast one.

Coach George points out a man about to steal.

Close Games Mar Lancer Season

Infielders Mike Brown and Steve Preskitt trap a Thomas Dale base runner.

The Lancer baseball team started the season with high hopes, but losing several close games kept them out of the district playoffs. The Lancers tied one game, lost six games by one run, and two by two runs.

Boyd Smith, Bubba Britton and Paul Bates led the Lancers at the plate, while Bill Phillips and Gil Arthur were the best pitchers. Junior infielders Steve Preskitt and Mike Brown performed well and will be back next season, as will freshman catcher David Smith.

The Lancers finished the season with a record of five wins, nine losses, and one tie, but with ten more runs, the Lancers could have won fourteen games.

Freshman catcher David Smith braces himself for a close play at homeplate.

Lancers Softball Gets New Coach

Lancer pitcher Robin Davis lets go of another strike in the home game against Petersburg.

Junior Dawn Vest connects with the ball and slugs it out to left field.

A new softball coach, Sandy Johnson, was added to the staff this year. She worked hard with the Lady Lancers. Although her efforts may not have benn rewarded this season, they will be next year.

The Lady Lancer Softball Team went through a rebuilding season this year. They had a young, inexperienced team, but a lot of young stand-outs. Sophomores Connie Daniels and Carla Cash led the Lancers at the plate. Sophomore pitcher Robin Davis had a very good year. In the outfield, Sophomore Belinda Damewood gave 100 percent hustle and at second base Freshman Mary Ames also put forth a lot of effort. This year's MVP was shortstop Connie Daniels and the Coaches'Award went to catcher Carla Cash.

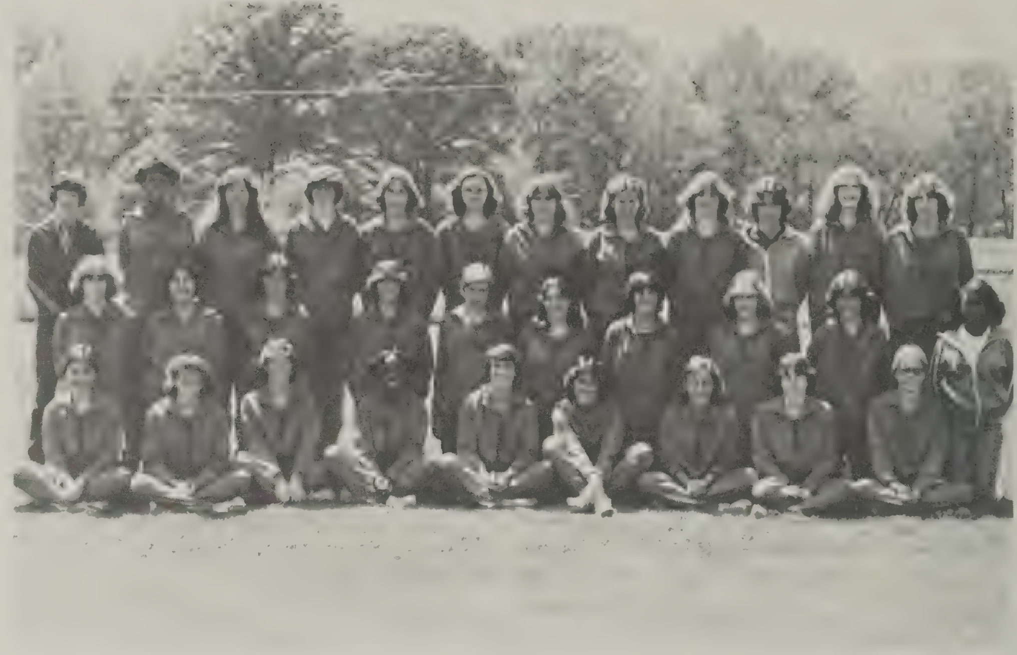
Coach Johnson thinks out her next move.

Girls Track, Young And Coming

The Lady Lancers Track Team struggled through a long and difficult season. The girls were lacking experience in a number of events, but the veterans held the team together.

Ann Bogdan was the team standout, as she set school records in the mile and two mile. She won both of these events in the Central Regional Meet, setting a new Regional Meet record in the mile. Cindy Harris set a record in the 440 and also performed very well in the long jump. Gayle Pair, Karen Whiting, and Jill Patterson were valuable performers also.



Front Row: Karen Whiting, Sheila Johnston, Sheryl Smilek, Cindy Harris, co-captain Ann Bogdan, co-captain Virginia Smilek, Mary Ann Seidel, Lee Hyden, Ellen Spencer. Middle Row: Jennifer Heisey, Julie Dixon, Jill Patterson, Gayle Pair, Kim Goins, Chris Bradshaw, Beth Bogdan, Sherry Maxey, Joyce Dixon, Mattie Sue Haskins. Back Row: Coach Wiedeman, Catanna Harris, Barbara Berger, Deana Donnely, Lynn Levanseller, Martha Salsgiver, Yvonne McDaniels, Gretchen Lowke, Tricia Hansen, Lisa Zebb, Mandy Lee, Elizabeth Patterson.

Senior Ann Bogdan looks like she's in her own world as she runs the mile.

Jill Patterson is way out in front of everybody in the 110 hurdles.

Freshman Tricia Hansen easily clears the high bar.

Julie Dixon shows good form in throwing the shot put.

Cindy Harris is landing far out in the long jump pit.

The Lady Lancers are anxiously awaiting the start of a race.

Tennis Team Has Another

This year Manchester's tennis team had another outstanding season, losing only two matches, both of which were to Midlothian. They were second in the districts only to Midlothian, the state champions. There were no seniors on this year's team, so we can look forward to more great seasons in the succeeding years. The team was led by Chip Conk, Darryl Wilburn, Doug Wilburn, Chris Rea, David Cheatham, and Greg Carr. Darryl won every match he played this season, while Chip made it to the state finals, losing to Midlothian's Steve Wilson.

Top-seeded Chip Conk returns another shot.

Brothers Doug and Darryl Wilburn display the form that earns them their third and second seedings.

Chip has no problem with this return, showing why he is a state finalist.

Felland And Love Qualify

Despite a slow start, Brad Love had a very successful season. He set a new school record for low average of 49.3 strokes per match, in 12-hole matches.

Sophomore Sean Farley played well this year and is a definate bright spot for next year's team.

Senior Eric Felland displays the excellent form that got him one of the top spots on the Lancer's Golf Team.

For The State Tournament

Standing: Tommy Cook, Sean Farley, Van Carr, Tommy Jolly, Jamie Cook, Coach Charlie Smith. Sitting: sweetheart Stephanie Kraus, Eric Felland, Brad Love, Tony Thomas, sweetheart Susan Gillis.

The Lancer's Golf Team had another winning season. It was led by Seniors Brad Love and Eric Felland. Two other top golfers, Sean Farley and Tony Thomas, rounded out the nucleus of the record-setting team. The Golf Team set a new team record for wins in a season with a record of twenty wins and six losses.

The Golf Team finished third in the Central District, allowing the team to go to Regionals for the second year in a row. The Regionals were held at Oak Hill, where Brad Love and Eric Felland won a playoff, qualifying them to go to the State High School Tournament at Roanoke.

Another school record was broken with Brad Love breaking his own record for low average in 12 hold matches.

The leadership of Seniors Brad Love, Tony Thomas, Tommy Cook and Eric Felland will be missed next season.

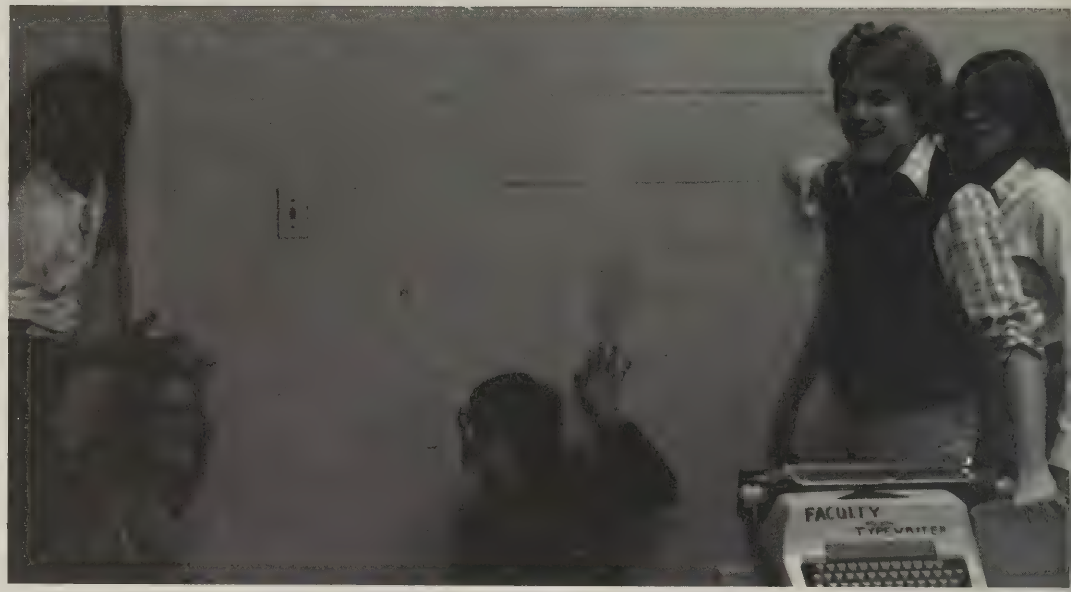
S.C.A. Improves School With Monthly Projects

The SCA had a successful year beginning with the Candy Sales Campaign which included all the clubs at Manchester. This year the SCA improved the school by undertaking various monthly projects which would prove beneficial for all. The projects ranged from cleaning the cafeteria, courtyard and teacher's lounge to landscaping the sign on the front lawn. The SCA also sponsored a family at Thanksgiving and at Christmas. The SCA sponsored the Homecoming Dance as well as a door decorating contest. Mrs. Eileen Dadlez served as this year's sponsor.



March's project was to clean the teacher's lounge.

National Honor Society Strives To

National Honor Society members were chosen for their qualities of Character, Scholarship, Leadership, and Service at Manchester. To remain in the club, members must maintain a 3.4 grade average. NHS is responsible for putting up the honor roll board after each nine-week period. Some members of the club serve as tutors for students at Manchester. The society also published a school directory as a money raising project.

Senior Executives Obtain Privileges

The Senior Executive Council had a very busy year. It undertook many projects, but most of their activities were centered upon the anticipation of graduation. Committees were set up and plans and ideas became realities. Due to unusual circumstances the class had to collect dues as their main source of revenue. But this campaign proved to be quite successful as most seniors gladly chipped in. Among this year's privileges were going to lunch and leaving sixth period three minutes early, utilization of the courtyard during lunch and study hall and a senior drink machine. Mrs. Mamie Weaver served as this year's sponsor.

Science-Math Hosts CPR Course

This year's Science-Math Club has participated in various projects. Funding came through candy sales and a Spring Plant Sale. In the fall the club entered a float in the Homecoming Parade. Their major activity for Spring was hosting a CPR course sponsored by the American Red Cross. All members that participated became certified to administer CPR in emergency situations. Mrs. Jefferson served as the club's sponsor.

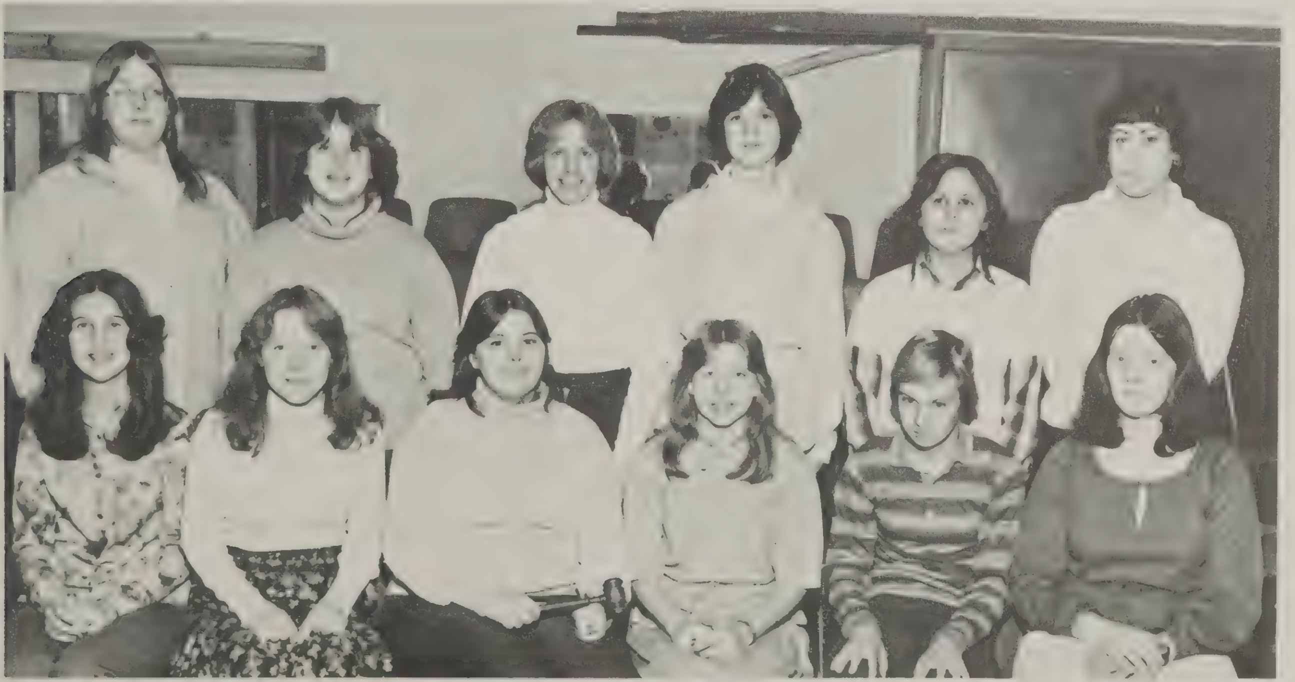
FHA

FHA participated with a booth in the Halloween Carnival.

Even though the snow cancelled their Daddy-date night and other events, FHA had a busy year. Besides attending the Fall Rally and the Spring Rally, they had speakers on such topics as energy conservation, nutrition, and cosmetology. The club also took a trip to Busch Gardens.

Honorary member Mr. Broaddus takes seconds at the Faculty Tea held each year.

1978-1979 members of FHA top to bottom: Sherri Van Fossen, Teresa Stock, Jennifer Johnson, Cindy Taylor, Anne Leiser, and Jeanne Fehskens. 2nd row: Kathy Harlow, Ella Eanes, Sonya Moorehead, Robin Johnson, Kim Goins and Marla Reichenberg.



Spanish Club Hosts Language Banquet

This year was a very successful one for the Spanish Club. All projects were funded by the money raised from selling candy. In December the club went to a local nursing home and sang Christmas carols in Spanish. This year the major project for the club was hosting the annual Foreign Language Banquet. The guest speaker was Dr. Helen Warriner, Director of Foreign Language for the State. Spring projects included the installation banquet at C.C. Chicano's and a trip to a local amusement park.

Mrs. Hoy served as this year's sponsor.

President Chris Perry listens attentively to a suggestion.

Marching Lancers Are Stepping Out

Posing for a picture at University Band Day are the Marching Lancers.

Leading the way is drum major, Joey Terz.

Marching in a band takes much work, but the practice really pays off in the glorious moments of a performance. Band members practice for many long hours to provide their special support for the football team and for the students at Manchester. Drum major, Joey Terz, really adds a special touch when he performs on the field. The marching band raised money for new uniforms and a trip to Florida this year.

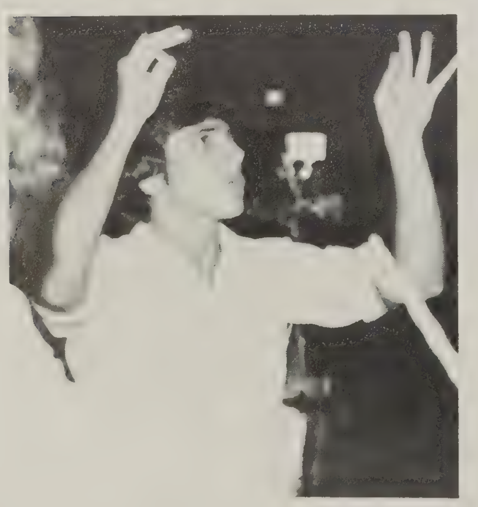
Manchester Bands Lift Spirit

Practice for marching band began before school started. Routines were learned for upcoming football games and competitions. The stage bands, Concert Band, and Wind Ensemble practiced hard all year for concerts and musical festivals.

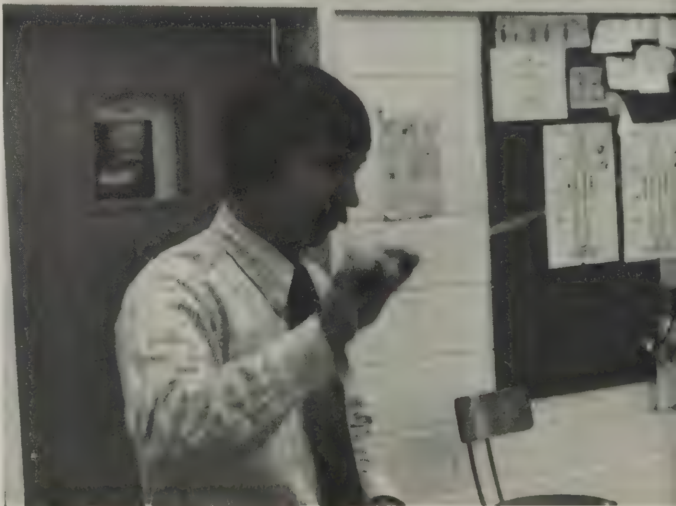
Playing a jazzy number is the first period stage band.

Smiling, Selina Balarz plays a jazzy number on the piano. Selina is in the second period stage band.

Getting it perfect takes practice for these marching band members.



Leading the band at a pep rally is drum major, Joey Terz.



Directing all of the bands is a demanding but rewarding experience for Mr. Ed Woolridge.

Throughout The School

Keeping in step with the rest of the band are Kathy Hayward, Mark Snow, and Lisa Robertson.

Drummers Don Eanes, Glenn Snow, and Tray Brown keep the beat at a pep rally.

Getting the numbers right for their performance at the Parent's Prom are the Stage Band members.

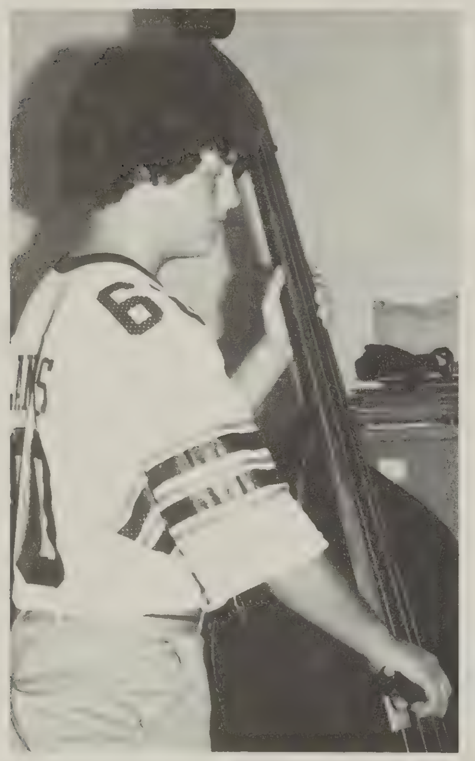
Much practice goes into perfecting songs played by the advanced stage band.

Practicing for the musical festival is the Wind Ensemble.

Strings Receive Superior Rating.

The Manchester Orchestra worked hard this year to develop the tone and quality of their music, with the help and direction of Mrs. Johnson. Two members from MHS made All-Regional Orchestra. They were Lisa Holman and Barbara Birdzell. This is Mrs. Johnson's first year as the orchestra's director.

Orchestra members are Lisa Holman, Janet Partin, Kevin Curling, Robert Turner, Barbara Birdzell, Naomi Woodfin, and director, Mrs. Johnson.



Paul Lockwood plays the string bass for the orchestra with ease.

Lisa Holman, violinist, concentrates on a difficult number.

Kevin Curling and Robert Turner find that orchestra is fun but takes much work.

Madrigals Perform At F & M Center

Madrigals Barry Richardson and Chris Beale practice on the stage.

The Madrigals are a select group of 16 singers. They have been an active group performing in the Christmas Concert, at Cloverleaf Mall, the University of Richmond, at Imperial Plaza, at various churches in the area, at the Chesterfield Fine Arts Festival, and at the F & M Center. The Madrigals participated in the District Choral Festival and received an overall rating of I-Superior. The group closed the year by performing in the Spring Concert and singing at Baccalaureate.

These Madrigal Singers know how to project.

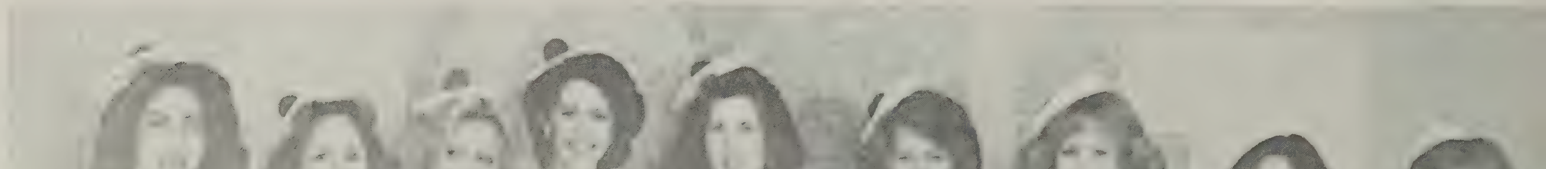
Lancerettes Perform Gracefully

The Lancerettes began practicing during the summer for the coming school year. During the year they performed with the marching band at football games, University of Richmond Band Day, and a number of parades. The Lancerettes also helped boost school spirit by performing at pep rallies.

Kathy Kish is captain of the squad this year. She was also in the Homecoming Court.

Co-captain Cathy Bennett pins a flower on the Lancerette sweetheart, Bill Phillips.



The 1979 squad includes Lindy Thompson, Mary Ann Gholson, Cathy Bennett, Nancy Morrison, Kathy Kish, Beth Robertson, Gwen Reid, Karen Stanley, and Terri Wilkinson.

With The Band

The Lancerettes look on at a football game and as always lend their unending support to the team.

Being sponsor of the Lancerettes is enjoyable to the sponsor, Mrs. Moore.

Flag Team Performs With Precision In Half-Time Shows

The flag team practiced with the band during football season and performed with the band during half-time shows, competitions, and parades. Led by captain Beth George and co-captain Shannon Keever, the flag team performed gloriously throughout the year. The flag team also raised money and purchased new uniforms.

Captain Beth George briefly explains a difficult move in a routine, and members of the flag team listen and try to understand.

The flag team finds time to pose for a picture.

Honor Guard Performs With Band At

The Honor Guard began practice last summer for their performances during football season. The squad performed at football games and at various parades and competitions. The Honor Guard also raised money to buy new rifles and uniforms.

Sandy Vest and Mary Ann Porter work on their routine.

Co-captains Sherry Vest and Cindy Smolko helped the squad out tremendously with their leadership and kind advice.

Performing flawlessly in this parade proves that practice does make perfect.

Practicing her routine is co-captain, Cindy Smolko.

Being on the rifle squad takes a lot of hard work, but the girls seem to enjoy it.

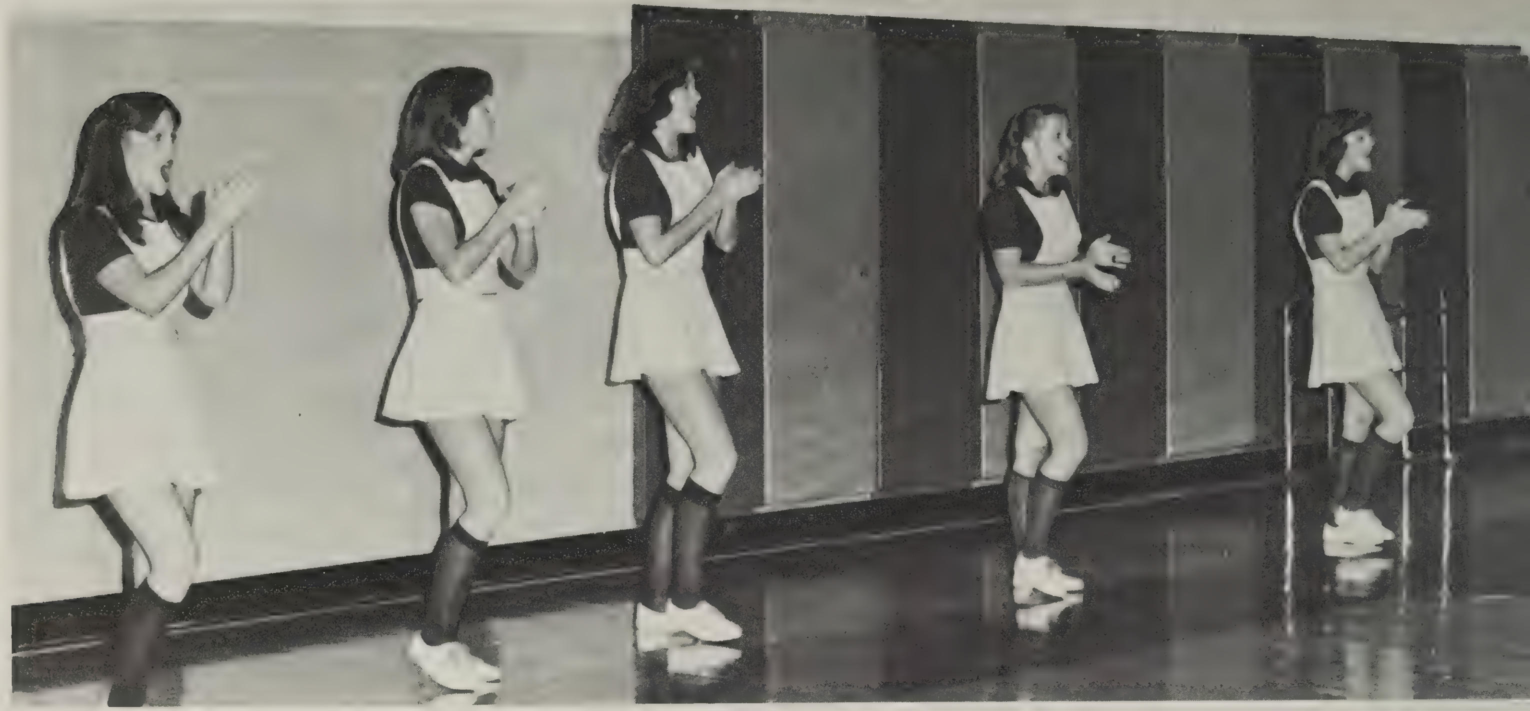
Games, Competitions, And Parades

The 1978-79 Honor Guard: Sherri Vest, Cindy Smolko, Sara Rengstorf, Mary Ann Porter, Sandy Vest, Martha Wallace, and Lee Penny.

Co-captain Sherri Vest calls out the routine to the rest of the squad.

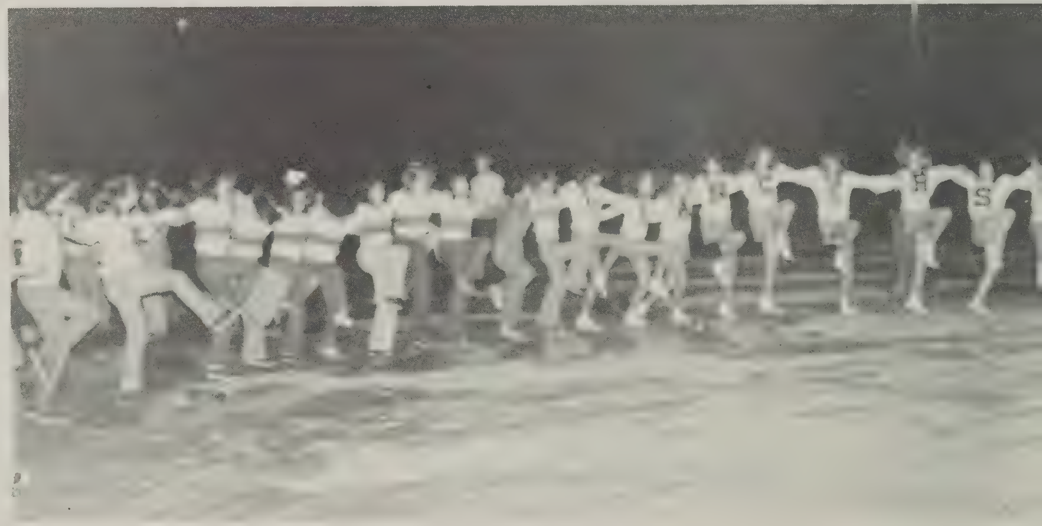
Taking time out from practice are squad members Lee Penny, Sara Rengstorf, Mary Ann Porter, and Sandy Vest.

Varsity Cheerleaders Boost Lancer



Yelling for the basketball team on the sidelines are a few of the Varsity cheerleaders.

The Varsity Cheerleaders are a vital part of spirit at Manchester. A lot of time and work went into preparing the cheers. Practice began after tryouts and continued through the year. The squad sold football ribbons and made pep notes for the teams. Co-sponsors, Mrs. Myra Pearson and Mrs. Ann Bowden, helped the cheerleaders with their advice and guidance. The cheerleaders showed their continuous spirit by cheering at all the games and at the bonfire held to boost spirit at Homecoming.



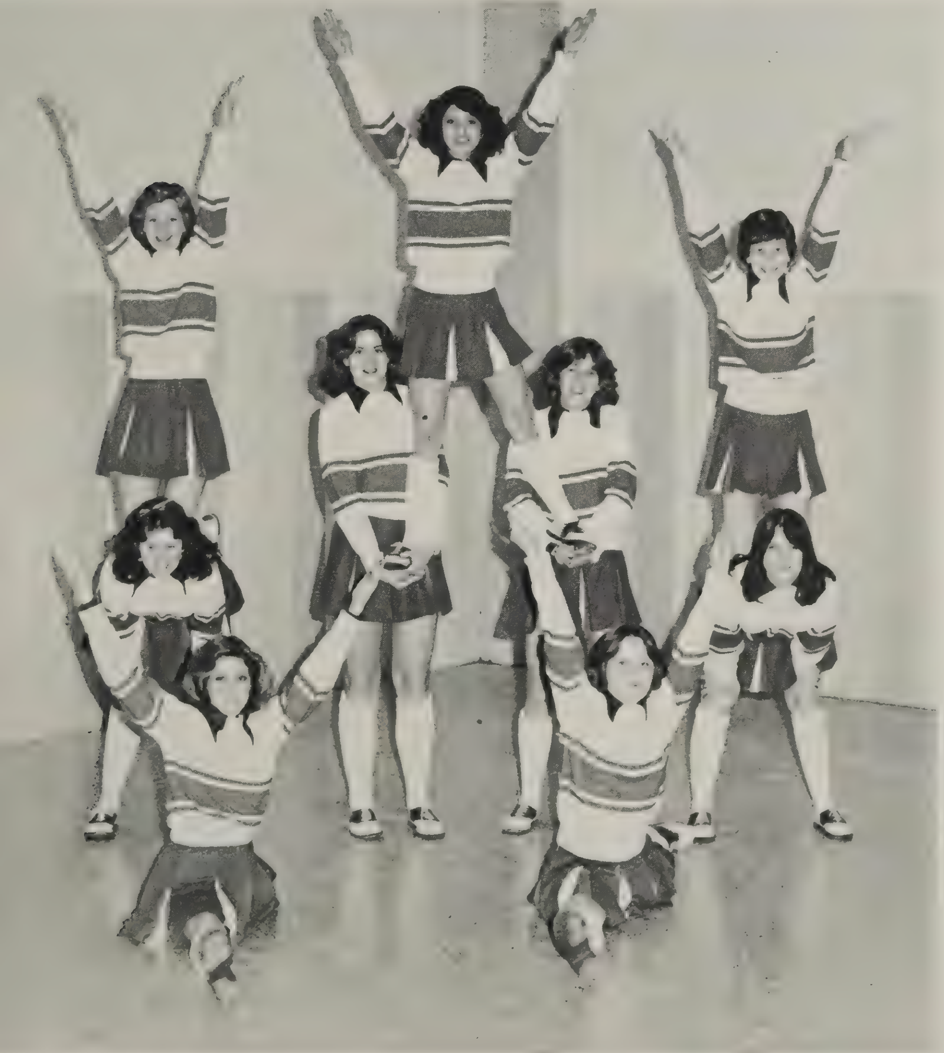
Varsity Cheerleaders show their spirit by participating at the bonfire.

"Lancers, Lancers, what's your cry? — VICTORY!"

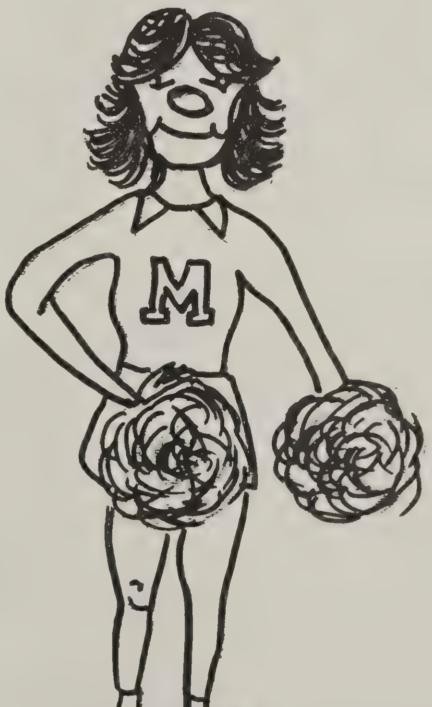
Spirit Throughout The School

"Get that ball and GO!" cry the cheerleaders from the bench.

Terri Camden and Sherry Martin lead the way at the bonfire.



1978-79 Varsity Cheerleaders: Patricia Parham, Cheryl Brown, Sherry Martin, Renee Johnson, Terry Musselman, Terri Camden, Lori Woodfin, Julie Martin, and Becky Arnold.



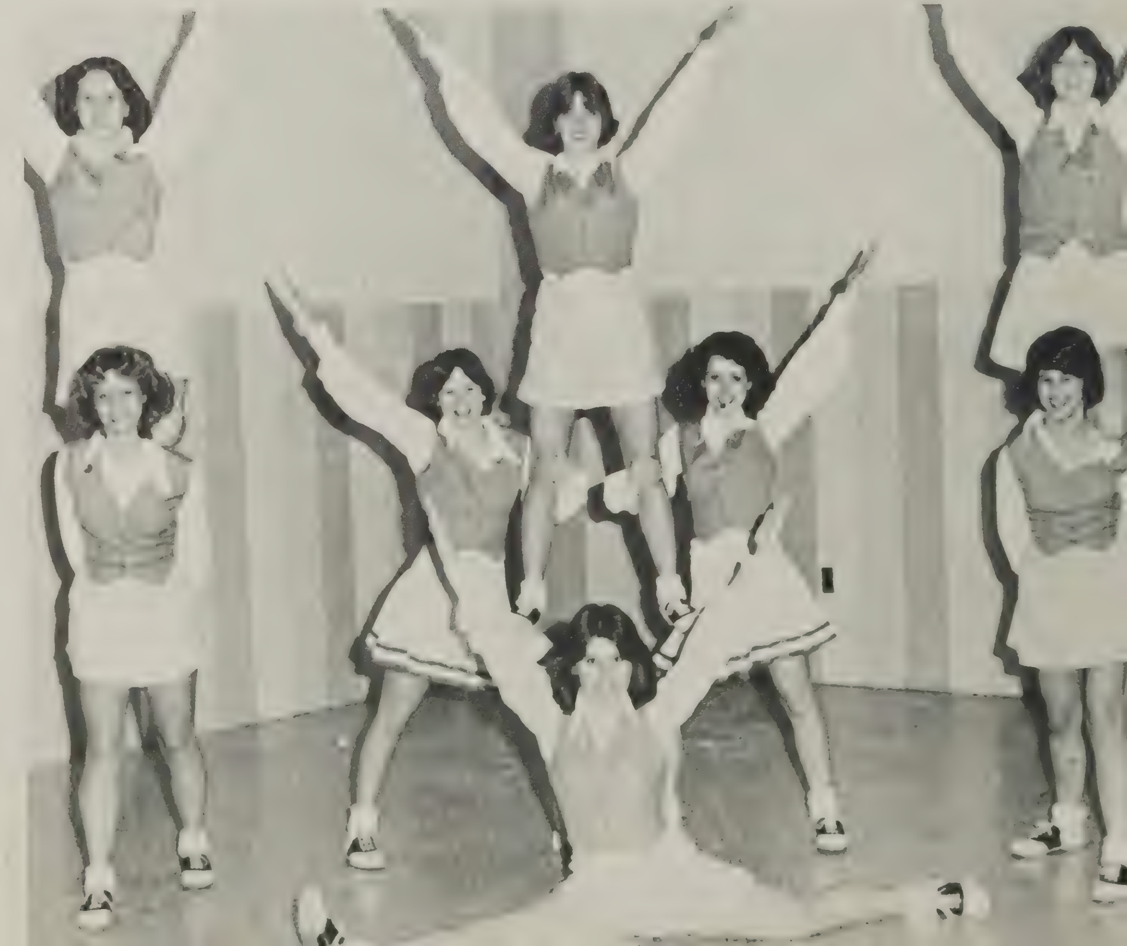
JV Cheerleaders Cheer On The Teams

JV cheerleaders inspire spirit at a pep rally.

The JV cheerleaders cheer on another Lancer victory.

JV cheerleaders practice very hard in order to perform in the upcoming events of the year.

Cheering for the Junior Varsity teams as well as Varsity teams kept the JV cheerleaders busy. Kathy Martin and Suzanne Newman served as co-captains of the squad. The JV cheerleaders also made pep notes and surprises for all sports.



1978-79 JV cheerleaders: Janet Shuttlemore, Mitzi Lambert, Kathy Martin, Suzanne Newman, Lisa Taylor, Mary Kay Harlow, Michelle Howard, and Gayle Pair.

FBLA Impressive At Regional Conference

1978-79 FBLA OFFICERS: left to right: Treasurer, Jim Rodriquez; Vice-Pres., Sherry Wilson; President, Cathy Rudd; Secretary Gwyn Cottom; and Historian, Michael Pemberton.

The Manchester Chapter of FBLA has had a very exciting and successful year. Leadership ability, social activities, community and service activities were stressed during the year. All activities were financed by the sale of stick candy. At the VCU Regional Conference the MHS Chapter received the following awards:

- First Place-
  - Miss FBLA—Cathy Rudd
  - Business Communications—Michael Pemberton
  - Stenography I—Susan Whitlow
- Third Place-
  - Mr. FBLA—Jim Rodriquez
  - Business Arithmetic—Gwyn Cottom

Regional President Cathy Rudd was also named finalist for the Marguerite Crumley Scholarship. This year's sponsor was Mrs. Brown.

"Harvey" And "Sweet Charity"

Much hard work goes into preparing the scenery.

This year was a very productive one for the Triptych Players. In the fall their first major production of the 1978-79 season was presented to the public. "Harvey," the story about the invisible rabbit, was thoroughly enjoyed by all who attended.

Their spring production was the musical "Sweet Charity." Mr. Wooldridge was responsible for conducting the orchestra, while Mr. Graham was responsible for the handling of voices.

The Triptych Players underwent a change of sponsors this year. Mrs. Judy Johnson who replaced Mr. Siddel served as sponsor, advisor and director for the first semester. Mr. Wrenn replaced Mrs. Johnson at the beginning of the second semester. This year's president was Janet Snead.

Mr. Wrenn joined the faculty second semester.

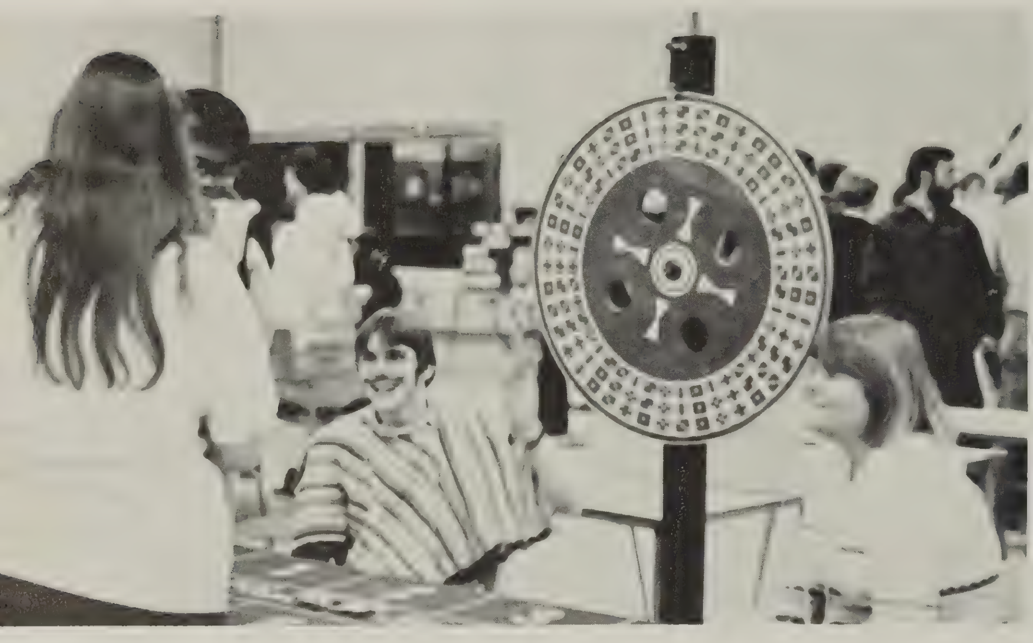
M.I.A. Begins Tradition: Sr. X-Mas Tree



President Tammy Hudnall rakes in the cash as Vice-President Chris Perry spins the wheel.

The new tradition: the X-mas tree which will be decorated annually by the Senior Class.

This year was a productive one for M.I.A. In the fall they planted the X-mas tree in the courtyard. Next year for the first year the Senior Class will decorate the tree. Other projects included making a banner for the scorers table and selling Lancer bumper-stickers. The club raised money through the sale of candy, stickers and banners. Mrs. Yates sponsored the club this year.

The end of another day at MHS.

THE END
OF THE BEGINNING

The '78-'79 year at Manchester High represented many things . . . study, diverse learning experiences, sports, student elections, and club memberships.

It's over now. Until next year.
Then most of you will be back to study again, to learn something new, and to participate in another year's events.

That's one of the great things about Jack in the Box® Restaurants.
We're not part time.
We're a year around activity.
So don't wait for the school year to begin again.
Stop by and say hello today.

Bring your yearbook to any Richmond area Jack in the Box® Restaurant manager. When he signs it and you buy any item on the menu, you will get another identical item free!

We would like to thank Ms. Trimble for all her help and continual patience. We would also like to thank Mr. Neill Watson of Josten's Yearbook Company for his instruction.

A large thanks to Sam Sears, Ms. Yates, Mr. Graham, Mr. Howell, and Mr. Bransen Howell for their assistance in the production of this yearbook. We also owe our gratitude to Mr. Wallace for being a patron of MEMOIR.

Cherish Yesterday, Dream Tomorrow, Live Today.

As the year came to a close, we spent time remembering and cherishing the memories of spirit days, friends, good times, meetings, cheerleaders, and lunches. Behind it all our teachers and faculty helped to guide us as we hoped . . . and dreamed.

In the End

Have you ever had a guilt so big, it just filled you everywhere,
Have you ever had a time that you just wanted someone there,

Why did you do it? Have you been through it?
You need to rebuild it, in the end.

Have you ever had the love-light end and make you feel small,
It's like playing a game of hide and seek and winning, then you fall.

Don't you protect it, just resurrect it-
You can't redirect it, in the end.

You need a friend to make you feel worthwhile.
You need support, it'll make you show your smile,
'Cause you can't do everything yourself-
It's like living, loving, breathing in a cell.

Have you ever hurt yourself so bad, it just made you want to cry?
Have you ever had a love so good, you just wept for days gone by?

Why did you do it? Have you been through it?
You need to rebuild it, in the end.
Don't you protect it, just resurrect it-
You can't redirect it, in the end.

In the end, you'll never need your pain-
In the end, your sorrows will be slain-

In the end . . .

Wendy Burk

Susan
I know you had
coalter and I bet
you never forget the
four day I was in
your class at the
beginning of the year.
I'll never forget the
quizes every Friday.
will you?
Maura

Susan,
Remember 7thgrade
math w/ mrs. taylor
and geography in
9th, weren't they
wild? well have
fun and maybe
I'll see ya at
scrimage football
games since we
don't play ya'll
normally. Monacan
is double A.
Lynn

Susan,

I think you're such a sweet person! I hope we have some classes together again this year. Don't forget Trimble & Mr. George!

See Ya Soon!
